

## Program at a Glance

Time	Nov. 15 (Sun.)	Nov. 16 (Mon.)	Nov. 17 (Tue.)	Nov. 18 (Wed.)	
8:30		Registration open	Registration open	Registration open	
9:00~10:10		<b>Plenary Lectures 1</b>	<b>Plenary Lectures 2</b>	<b>Plenary Lectures 3</b>	
10:10~10:30		Coffee break	Coffee break	Coffee break	
10:30~12:35		<b>AOSP Awards</b>	<b>Session 5:</b> Photobiology/photochemistry in medicine (2)	<b>Session 6:</b> Photosynthesis (1) Reaction centers and antenna systems	<b>Session 9:</b> Photoreceptors in animal and microbes
12:35~13:30		Lunch	Lunch & AOSP Executive Committee meeting	Lunch	
13:30~15:35		<b>Session 1:</b> Photomorphogenesis and light signaling in plants	<b>Session 2:</b> Vertebrate photo-responses	<b>Session 7:</b> Photobiology/photochemistry in medicine (3)	<b>Session 8:</b> Photosynthesis (2) Light, carbon assimilation and productivity
15:35~16:00		Coffee break	Coffee break	Coffee break	
16:00~17:40		Registration open	<b>Session 3:</b> Plant photoreceptors	<b>Session 4:</b> Photobiology/photochemistry in medicine (1)	<b>Session 11:</b> Optical Biosensing Technologies
17:40~18:00		<b>Welcome Reception</b>	Poster section	Poster Section	<b>Session 12:</b> Cellular Imaging Technologies
18:00~19:40				Depart for dinner	
19:40~21:00		Dinner	Gala Dinner		

	Photobiology and photochemistry in plants and microbes
	Photobiology and photochemistry in animal/medicine
	Cell imaging and photo-technology
